About Us – Our Heritage

MWC was one of the first three chapters organized within the FMCA. It was chartered on April 10, 1965.

The chapters name does not refer to the RV brand, but represents people who own RV's. Owners of all RV brands are welcome.

Friendships, excellent company, caring people and fun are just a few of the benefits that MWC offer. With nearly 50 years under our belt, we must be doing something right!

MWC rallies about seven times each year from April through October. Most rallies are planned for Ohio campsites, but rallies in surrounding states also occur frequently.

Rallies include planned activities, tours, potlucks, catered dinners, dining at area restaurants, and plenty of free time to explore the area.

We are a happy, fun-loving chapter!

Come join us at one of our rallies and be a guest to learn more about MWC.

You can also visit us on our new website and access an application for membership.
